

Amiya Denecea Hill

August 9, 2002 - August 14, 2022

On August 9, 2002, in Birmingham, Alabama, Shekina Chatman Green and Darrell Green became the proud parents of a beautiful baby girl named Amiya Denecea Hill. Who would have ever known the substantial amount of love and joy one could bring to someone's life. This is just what Amiya did; not only to her parents, but everyone who knew her. Amiya was special and a gift from the Almighty God. She was a living testimony of the works of the Lord, and this was proven when she far outlived the expectancy of the few years' doctors had given her at birth.

Although born with a disability, this did not affect her knowing and receiving Christ while attending Greater Faith Church. At the time of her passing, Amiya was well on her way to becoming a graduate of Helen Keller School, which is something doctors and others thought she may never accomplish, but God had better plans for Amiya that consisted of her being blessed with twenty plus earthly years touching the hearts and souls of so many and spreading love wherever she went. She was a jewel and very active star student while attending school. She once grew the largest cabbage on campus which earned her a \$1000.00 scholarship and the title "CABBAGE PATCH KID".

Amiya was a loving daughter, granddaughter, sister, aunt and student who loved dancing, eating, and playing with her special niece, Shariyah, but was very passionate when it came to her grandmother and going to sit on

grandma's back porch. Her wonderful personality could not be contained, she enjoyed her family and loved her mother. She was her mother's pride and joy, and her mother always went above and beyond to make sure Amiya had everything the world had to offer her.

After twenty blessed earthly years, our borrowed angel, Amiya Denecea Hill, was returned to the Almighty when she gained her angelic wings and entered the heavenly gates on Sunday, August 14, 2022 while surrounded by loved ones. She will be met by her loving sister, Jasmine S. Chatman and aunt, Christie O. Sanders and together they will dance all over heaven's roads that are paved with gold.

Amiya's legacy of love will forever be cherished by her loving and devoted mother, Shekina Chatman (Darrell) Green; father, Brandon Cass; three brothers, Darrell Gooden, Darrius Green, and Darrien Green; three sisters, Shakenya Chatman, Jeremysha Williams, and Destiny Cass; grandparents, Sandra White, Robert (Virginia) White, Vanessa (David) Jones and Shirley (Floyd) Mackey; special niece, Shariyah Buchanan; and a host aunts, uncles, other relatives and friends.

“ My deepest condolences and prayers to both the Hill and Chatman families. Amiya was a beautiful ray of light in my life. I worked with her at HKS in the dorm setting and she was such a blessing and comfort. Amiya's joyful smile and laughter lifted the spirits of her staff and dorm staff.
