“ *If honesty were a sport, Brenda would've taken home the gold. She never held back what was on her mind, especially when she thought she was right and you needed to hear it. But under all that sass was a heart that loved hard and deep. She has never lost an argument (in her mind) lol. I can still hear her saying, You know I'm right! My thoughts and prayers are with my grandson lil Mike and his entire family.*
