“ Just saw you about 2 weeks before your passing. As usual, you asked about the whole family and made it known that you enjoyed being around our family. You were truly one of the most kind, giving, compassionate and genuine men I have ever met. My son was blessed to have called you friend. I have always said that whoever raised you sure did it right! I told you when I saw you last that I was going to invite you to our next family get together. Now I will say I'll see you again one day. It was an honor to have known you my friend. You definitely left an impact on the people who knew you.
