After completing school, Peedie worked various jobs including Sunny King Toyota, Supervalu, Bridgewater, and McDonalds.

Affectionately known as "Peedie" by all his family and friends, whenever you encountered Peedie, he was always going to greet you with a smile and maybe one of his famous dance moves. He loved dancing and had a contagious smile that would brighten up the darkest room. Peedie would cut a rug at the sound of any music. He began his dancing and entertaining as a young child. He later became a participant of the undisputed dance group "Time II". Peedie performed in several Talent Shows across the state of Alabama. He was the life of every party making sure he kept everyone laughing. Peedie was a mentor to many young men in the community and was

a friend who was loved by many. If you knew Peedie, you knew he had a heart of gold and would give you the shirt off his back if you asked. Peedie will be missed immensely by all the hearts he has touched and lives he has encountered. All his good deeds will not be forgotten.

Along Peedie's path in life, while visiting his friend on July 4, 2008, he met the beautiful, Monita Jervet Wilson. After nearly six years of spending time with the love of his life, Peedie knew this was the woman God had chosen to be his wife and on February 20, 2014, the two became one when they were united in Holy Matrimony. Peedie was a true protector and angel to his family and friends. His children were the joy of his life. He laid down his life so theirs could flourish. Peedie will be remembered and not forgotten by the difference he made in everyone's life. People often referred to Peedie as "Tall Man". Although he was short in a statue, Peedie was big in love, caring, and putting others before himself. Peedie may be gone from our sight but will never leave from our hearts and minds.
