“ Cate was such a beautiful soul. We shared so many great family memories that I will forever cherish. I am truly honored to be the godfather to my little girl Gabby that resembles her mother in every way. She has her mother's smile, smarts and loving personality. I will never forget our weekly FaceTime meetings so that I can speak with Gabby. Cate you will forever be missed and always in our hearts. Your two beautiful children have now gained an angel. We Love you!!💕

“ *I met Cate through Shae Harper(my sister in law), her caretaker. I met her a few times in person but would FaceTime Shae almost daily and get to talk to Cate. She was absolutely the most sweetest and beautiful soul. She touched our lives in countless ways. I will miss her, our video calls, and seeing her beautiful eyes! I am praying for her family and loved ones. Rest in peace, Cathleen.*

“ *We moved next door to the Harbulaks when Cate was 14 months and our oldest child, Conor, was 20months. Catie was Conor's first friend. They played outside for hours; jumping through sprinklers, decorating a house made from a refrigerator box, reading picture books, building snowmen and attending nursery school together. Our families grew up side by side, through all the changes of elementary, middle and high school. We observed Cate grow from an adorable, bright child into a beautiful, successful young woman. Catie accomplished much in life, although her proudest achievement was being a mom to Gabriella and Michael. She beamed with love and pride every time she strolled through the neighborhood with them. Catie will always be remembered for her athleticism, brilliant mind, kind heart but most of all as a loving mother. Rest in Peace, dear Catie* □
