“ I remember when she and my momma used to go to yard sales and she found that car for \$600. The last time I saw her I mentioned the car and she said she drove that car a long time. I will miss her smile and positive attitude but I know she is in a better place. May God bless and keep you my cousins. You won't get over it but it time it will hurt a little less. “ My heart is broken,my mind cant rest I try to stop them but the tears wont stop. Thank you for loving me,and caring for me when I couldnt love or care for myself. You have a spot in my soul that nothing nor no one else could ever fill. I'll never forget all the prayers you prayed and the times you just held my hand. Lady u and God alone pulled me through. So many lives you touched and you will never know how in so many eyes you were so so loved. I'm glad you are at peace but I will miss you until once again we meet. Go,sweet soul,rest in the arms of Jesus and one day I will journey down and see you on that happy road. I love you,and it's so hard,look over me and my brothers from there,since your not by our side. I love you momma,and miss you already. Marietta
