“ *My brother, I will miss seeing you as we saw each other just about every day; everything that was said about you were true, no mistakes at all! Charles did the best he could in every situation that I knew of him having, he loved his family and his wife and no one could take that from him! So I say, rest in peace my brother knowing you are in a better place and will be very much preserved. From your sister in Chirst, Pastor Patricia Funderburg.*
