“*Felicia was one of my closest longest friends, she was an amazing person, I am so happy that she found love in her husband, who undoubtable misses her and he will need your prayer, she leaves behind her son who has suffered more in these past months than anyone else. I know that this is hard for us but my friend gained her wings and doesn't have to suffer or die again, she is free. She joined her daughter and mother in paradise and that is the best way to look at it. God speed and love my sister. I still cry everyday and I pray for strength for the ones that you left behind. Class of 1992. Always strong love you sister.*”
