“ Auntie words cannot express the memories I
have on you. But the word I'll say is "smile"
your smile was infectious and would light up a
room. Your smile gave a sense of peace and
encouragement along with live. Thank you for
every memory I have of you, you have me a smile. I cherish them
smiles in my heart. Thank you for showing how to have a sense of
humility and residency. Spread your wings now love and I know I
can look up and feel your smile
