“ Henry ! Since 2014 when you bought me lunch at Honda. You’ve been nothing but a blessing to me. You were like a God father /old best friend! If I needed any advice you’d give it whether I liked it or not! You always asked me what you needed to pray for before we got off the phone! Many emotional pains you helped me get through and I can’t do anything but thank God for allowing me the time he did to spend with you. The day I came and seen you in uniform you told me ; it fits my character so I can assure you I will be the best officer I can be and always high and kiss my boys for you! From here on earth to the heavens I love you and may you Rest In Peace!🕊️🕊️💙💙 P.S Officer Dennard!!

“ Pops, you were the best thing that ever happened to me. You taught me so many things I never knew I could do, and I’ll always love you for that. I’ll cherish the memories we had, and I’ll always regret the times we didn’t have. But time waits for no one, and all of your suffering is over. Are you ready to be reborn in God’s blood? I love you, Pops, and I’m so glad I got to see you before you became a soldier for the Lord.

“ To be absent from the body, is to be present with the Lord. Mr. Henry we are definitely going to miss you, the laughters, the talks, the meals we shared with one another, even when you would take your trips and bring us back home little goody bags. It’s going to be hard not seeing those garage doors open and you working on some new project. But we understand you had to leave and go where there is no more pain or suffering.
