

Jacqueline Bradford

August 27, 1960 - August 12, 2025

Jacqueline B. Bradford, a beloved mother and grandmother, began her earthly journey on August 27, 1960, in Anniston Alabama to the parentage of Joe Louis Quicksey and Dorothy Crook Armour. Jacqueline Brightened the lives of all who knew her.

Jacqueline accepted Christ as her Savior at an early age and attended Bethel Missionary Baptist Church in Brutonville. She graduated from Alexandria High School and later obtained an Associate Degree.

Jacqueline was a woman of many passions. She had a deep love for sports, cheering on her favorite teams with enthusiasm and sharing her excitement with friends and family. Her grandchildren were the light of her life and she cherished every moment spent with them, creating countless memories filled with laughter and love.

Known for her dedication and loyalty, Jacqueline was the kind of friend everyone wished they had, sweet, smart, and always willing to lend a helping hand. A math whiz, she had a unique talent for solving problems and inspiring those around her with her intelligence. Whether she was playing cards or cooking up delicious meals for her loved ones, her warm and inviting spirit made every gathering special.

On August 12, 2025, Jacqueline Bradford completed her earthly journey and transitioned from labor to reward. She was preceded in death by her father, Joe L. Quicksey; her husband, Charm Bradford; her daughter, LaSonya Crook; and her stepfather, Clarence Armour.

Jacqueline's loving memories will forever be cherished by her son, Anthony (Yolanda) Crook; brothers, Steven (Lois) Minifield and Johnny (Renee) Crook; sister, Veronica Thomas; grandchildren, Devionte' Garrett, LaSonya Crook, and Adadrionna Crook; great-grandson due September 2025; and a host of other relatives and friends.

While we mourn her loss, we also choose to celebrate the vibrant life she led. Jacqueline Bradford's spirit will forever be remembered, her laughter cherished, and her love will continue to inspire us all.
