“ I remember my Uncle James was the kindest of all my uncles. He exposed me to a lot of my firsts. First amusement park, my first movie, the first time I ever got to eat at a fast food restaurant, and my first time going fishing. He was the uncle that would slid you \$20 when you really needed it and you didn't even ask. I loved my Uncle James and he will be greatly missed. I send my deepest condolences.
