

Jerome Vincent

December 4, 1961 - August 17, 2022

On December 4, 1961 in Anniston, Alabama, the late David and Louneal Vincent was blessed with a son who was given the name Jerome Vincent.

There is no doubt Jerome knew the Lord when he confessed Christ at an early age and united with Westview Baptist Church under the leadership of the late Rev. Ollie English, Sr. Later in life Jerome became a part of the Wings of An Eagle Outreach Ministry under the leadership of his sister, Pastor Brenda Wilson. His faith in God would later lead him to become licensed as a minister of the Gospel. Jerome continued serving the Lord and working in his vineyard as he became Prophet Jerome Vincent and the founder of Family Love Ministry. He received his formal education in the Calhoun County School System where he attended Thankful Elementary School in Anniston, Alabama and was a graduate of Anniston High School Class of 1980. Upon completing his formal education, Jerome immediately decided to serve his country by enlisting in the US Navy on May 23, 1980. While serving his country, Jerome was destined and determined furthered his education and training in several areas including Instructor Training, Navy Drug and Alcohol Training, Seabee Chief Petty Officer Management, Water Well Drilling, Navy Recruiting Orientation, Advance Equipment Operator Training, and Navy Leadership Development for Leading Petty Officers. As a result of his dedication, Jerome was honored to be the recipient of several medals, decorations, badges, citations and campaign ribbons including, Good Conduct Medal, Sea Service

Deployment Ribbon, Seabee Combat Warfare insignis, Navy and Marine Corps Achievement Medal, Navy Unit Commendation Navy "E" Ribbon, Navy recruiting Service ribbon, Joint Service Achievement Medal, Gold Wreath for Recruiting Excellence, National Defense Service Medal, Humanitarian Service Medal, Navy and Marine Corps Overseas Service Ribbon and Meritorious Unit Commendation. After the course of 22 years of service, devotion and dedication to his country, Jerome felt it was time to retire and enjoy the civilian life. Once retiring, he made Douglasville, Georgia his home and became employed with Bank of America as a mortgage loan officer for 7 years before relocating to his hometown of Anniston, Alabama.

Jerome was a very loving and caring father, grandfather, brother, and nephew who loved his family. Although there is now a void in the family, it will be filled with love, patience, prayer, hope, positivity, and comfort through the Grace of God. We could never forget the impact Jerome has left on our lives with his unshakable faith and the vibrant smile and personality he always had. He was an absolute joy to be around and was well on his way to becoming the author of his first book titled "Brown Shoes", which will be published in the near future. Before his passing, Jerome stated he was told by God he would be preaching and teaching his word in a pair of brown shoes. We know he is walking all over Heaven in those brown shoes. Jerome will truly be missed immensely by all the hearts he has touched and lives he has encountered on his 60 years journey all over the world.

On Wednesday, August 17, 2022, Prophet Jerome Vincent traded his labor for eternal rest when he received his Master's call while surrounded by loved ones under the care of Regional Medical Center in Anniston, Alabama. “ This man made an impact on my life like none other and for some reason after my father’s passing I was compelled to research his name only to discover his passing. Last we spoke he was ill and I just would not accept that he wouldn’t live because his spirits were so high. I missed an opportunity to visit with him in route to visit with my father one Father’s Day eve and I regretted it deeply because I had no idea it would be the last time we spoke. His first and literal every encounter with me was prophetic and he was obedient to the call every time to intercede. I literally came to witness prophecy be real through our random encounter in the local Walmart which came to be another time in passing years all the way to nearly a decade later where he was led to rescue me from despair as I laid upon my suffering’s floor. All timely, all heavenly intervened, all life changing. He was so selfless and anointed. So kind and so pure and I truly believe he was an angel. I will finish the instructions he gave me now. He told me God was waiting on the world to receive what I had to say. I will never forget him and have eternal love and gratitude for the man of God he was on earth. I shed a tear in his honor. And may we reunite In heavenly places again.
