“ It is with great sadness that I learned of the passing of one of my favorite former students, Jonnie Meryl Lewis Smiley. Through Jonnie's kind and generous parents, Mr. Cecil and Mrs. Vicie, I formed a bond with the Lewis family, which has lasted for more than fifty years. It has been my good fortune to have maintained a friendship and admiration for all that this family represents. My last contact with Johnnie was a few months ago when she called just to say hello and to make me laugh. Boy did she make me laugh. She had such a pleasant sense of humor and at the time, seemed just so full of life. It was my privilege to be called a friend of this family and to cherish the times that I was entertained and made to feel at home in their presence. May God's blessings be spread bountifully over this family during their time of bereavement. Please know that I care. C. Varner, Jr.
