

LaCorey Curry, Jr.

June 13, 1999 - June 1, 2025

Born in Talladega, Alabama on June 13, 1999, LaCorey Curry, Jr. affectionately known as "Trap Curry" was a radiant soul whose passion for life and love for others illuminated the paths of all who knew him. A cherished son of LaCorey Curry, Sr. and Kizzy Mann, LaCorey accepted Christ at a tender age and embraced his faith through his membership at Triumph the Church and Kingdom of God in Christ. In his later years, he found a loving community at The Word Center Ministries, where he thrived under the guidance of Dr. Darius Williams. Educated within the Talladega City School System, LaCorey excelled at Talladega High School, and after his academic journey, he delved into his passion for music—a dream that fueled his spirit. Music resonated deeply within LaCorey's soul, inspiring him to aspire to greatness as a rapper, even as he dreamt of one day investing in an NBA team. Not only did he enjoy listening to music, but he loved making videos relating to his life, community, and family. Beyond his love for music, he was a devoted father, finding joy in his cherished children, Ja'Kayden, Nyree, Ni'Cordian, and Khine. Family was the melody that filled his heart, and his laughter danced through gatherings with loved ones and friends. Known for his vibrant fashion sense that made a bold statement wherever he went, LaCorey possessed a unique flair that complemented his charismatic personality.

LaCorey was also a lover of gaming, finding solace in his PlayStation and nurturing his competitive spirit on the basketball court, where he truly shone.

His family and community will forever carry the weight of their loss, while simultaneously celebrating the indelible mark he left upon their lives.

As time winds its course, we look ahead to a future where LaCorey's spirit transcends this earthly realm, as he embarks on his journey towards eternal peace. On Sunday morning, June 1, 2025, LaCorey's earthly journey concluded, yet his spirit will transcend into eternity, surrounded by love and warmth. As he enters the heavenly realm, he will be reunited with his grandparents, James and Mary Marbury, brothers, Corneil James and Nijah Curry.

In the tapestry of memories that remain, LaCorey leaves behind a legacy woven with love, laughter, and unwavering familial ties. His presence will forever resonate in the hearts of his beloved parents, LaCorey Curry, Sr. and Kizzy Mann; three sons, Ja'Kayden Curry, Ni'Cordian Curry, and Nyree Curry; one daughter, Khine Curry; grandmother, Wanda "Bonnie Sue" Curry Cunningham; grandfather, Sam Turner; brothers, LaCorius Welch, Xzavion Brown, JaCorrian Curry, Cor'Melo Curry, Karey Chatman, Deangelo Pointer, and Carlos Maxwell; sisters, Takerua (Delvionte) Mann, Almelia (Devin) Hill, Josie Arianna Scott-Curry, Korri'Anna Curry, and Ivy'Onna Curry; special aunt, Katrina Curry; bonus mother, Yolanda Hunter; bonus sister, Mahagoni Hunter; bonus brothers, Steven Hunter and Santini Hunter; special friend, Jamesha "Strap Jae" Chatman; and a multitude of aunts, uncles, nieces, nephews, cousins, other relatives, and friends.

“ Never thought I would be saying rest in peace to you. Never thought that I would have to sit our son down and tell him that he will never see his dad ever again 💔. We were very young when we had our son, literally grew into adults together. I remember it like it was yesterday you had just got home seen me big & pregnant for the first time & you told me from that day forward that “ You got us forever”. Only if forever was forever... Thank you soo much for giving me a son that looks just like you & that loves me just the way I know you did 💔 he will never feel alone in this he has me forever and I promise I will make sure he's straight FOREVER just how you asked I will never fail him 🙏 , I will tell him everyday how much you loved him! I will always encourage him to do what's right & to follow his dreams the way that you did ! We have had plenty of ups& downs. & At times we both didn't always agree with each other but when it came to our son we always found a way around our differences for the sake of him. Even though I would do it all over again if I could I am going to miss bumping heads with you about Kayden in the end It was always love.. Unconditional love that didn't come at no cost . We will always remember and cherish those moments we shared with you in our hearts. Anytime there was a time you couldn't be there I always had your back nmw & I will continue to now that your no longer here with us in the flesh I promise you your son knew how much you loved him & nothing will ever change that ❤️. I learned a long time ago to never question God but please give my child & I the strength to go on and to trust the plan you have laid before us. You gave my son a forever Guardian angel that will watch & guide his every move nmw & I couldn't Thank you enough God. 1 thing I have learned a lot of times “life” gets in the way of what's really important & we think we have forever to fix things when in fact we should really put our lives in Gods hands surrender to his will for us instead of our own. I found peace in knowing that in these last few months you were trying to do JUST THAT but you were robbed of more time 🙏. People say actions speak louder than words but in your case your WORDS were definitely louder & WE HEARD YOU . Your son is going to miss you soo much. We love you forever & always in this lifetime and the

next , get your rest handsome ☐❤.

“ Gonna miss you so much little brother. You would have been 26 June 13th and although I feel as if it wasn't nearly enough time! I am thankful to have shared every year with you, since you were born. I wish I could take you up the street with me one more time, get mad because you gotta go with my friends and I. But overall, you were such a great dad/son/brother/friend to everyone you came across. I love you and tell our brother DJ I love him so much! How you both leave your big sister though? 💔💔👉 4L & After!

“ Jr,

You were such a light in my life someone whose presence made the world feel softer, warmer, better. I was so lucky to know you, to laugh with you, to share moments that I will carry with me forever.

I'm going to miss everything your smile, your laugh, the way you made me feel seen and safe and loved. I'll miss the simple moments most of all: the talks, the quiet, the knowing glances, all the things that words could never fully describe.

You left such a mark on my heart, and nothing will ever take that away. I hope you know how loved you are, how deeply you are missed, and how grateful I am for every moment we had.

Like you always said 4LIFE AND AFTER 📴📴📴📴📴📴

I love you, Jr.
