“ My big brother it is so hard to say goodbye this way and now I see why God brought us together in November. I'm so glad we had the chance to spend time together and talk. Man I find myself now without another brother, you, my last brother. I thank God that I have and feel the love from our beautiful sisters. I remember when Neal passed we both were in Gemany needing to catch a hop to the U.S and you missed the hop. Lol I do believe you showed up 2 days later. I was so glad to see you. I do want to thank God for the years he gave us being brothers. I love you man and miss you already. Hey, when you get there do me a favor, tell Dad, Mom, Felix, Neal, Marshall and Terri I love them and miss them all. I'm saying goodbye now, but only until we meet again. Anthony
