“ Linda had such a big heart towards the animals in our community. I volunteered with her on several occasions and enjoyed her company so much. I will truly miss her.

“ Ms. West and I worked together at East Alabama, and she was one of the sweetest people you could ever want to meet...I will miss our DM conversations. My prayers are condolences to the immediate family, friends and other loved ones...“He will wipe away every tear from their eyes, and death shall be no more, neither shall there be mourning, nor crying, nor pain anymore, for the former things have passed away.”

“ My best friend's mother... many a night she gave me rides home from football practice and games. She opened up her home to me like I was their 4th child. Later in life she was my Facebook friend. It warmed my heart to see her comment and/or like the things I posted. Wishing the family peace and comfort in this time of sorrow.
