

Lisa Turner

May 9, 1965 - October 20, 2022

On May 9, 1965 in Detroit, Michigan, Johnnie Mae Cunningham Turner and Henry L. Turner welcomed to the world a bubbly baby girl given the name Lisa Marie.

She accepted the Lord as her personal Savior and was baptized while attending Springfield Baptist Church. Lisa received her formal education in the Detroit Public School System and was a graduate of Western High School. Before relocating to Georgia in 2010, Lisa was a dedicated employee for the Detroit Metro Airport.

"Mama Lisa" as she was affectionately called, has never met a stranger and has impacted the lives of everyone who had the honor to know and love her. While residing in Georgia, Lisa befriended Reggie and was considered an honorary member of the Born Losers Motorcycle Club. Though she had a small frame, Lisa was extraordinarily strong. Her presence and impact on all who knew and loved her is truly larger than life and she will be missed immensely.

On Thursday evening, October 20, 2022, while in the care of Emory University Hospital in Atlanta, Georgia, Lisa gained her wings and peacefully transitioned to her eternal home joining her parents Johnnie Mae and Henry and her brothers Daniel, Harvell, and Raymond.

She leaves a legacy of love and memories to be cherished by her daughters Lauren (Andre Sr.) and JohMae; and to cherish her memories along with her daughters are her four sisters Flora, Regina, Yvonne, and Karen; two brothers James and Herman; Goddaughters, Brandie and Joy; her grandchildren, Bryson, JoVuan, Andre Jr., and A'Lanni; and Alvin, whom she shared over 20 years with; and a host of nieces, nephews and many more friends who will miss and cherish her dearly.

“ To the Turner Family and Lisa children, I grew up with the Turner's on 28th street in Detroit, Mi. There was not a day I can remember as a child me and Lisa did not hang out she was one of my friends I can say we never fell out. She had the most beautiful spirit and the biggest smile that could light up the room. I send my deepest sympathy and condolences and praying for healing.
