

Ola Patrisha Scott-Little

October 14, 1970 - January 6, 2024

The beautiful and beloved Ola Patrisha Scott-Little made her grand entrance into this world on October 14, 1970, in Talladega, Alabama the fourth of five children born to the union of Willie Dean Scott, Sr. and Ola Scott-Curry

Ola's exemplary education journey began in the Talladega City School System and culminated with her achieving a Bachelor's from Talladega College in 1993 and a Master's degree in Social Work from Clark-Atlanta University in 1996. Her commitment to making a positive impact in the lives of others led her to a fulfilling career as a Social Worker with the Baldwin County School System as their only Social Worker for more than 24 years. She was labeled as a huge beckon of light in the school district, and she would go above and beyond measures to make sure no child fell through the cracks. Being a Social Worker was not just a job to her, it was her heart and her passion. She treated the children with dignity and respect and so much compassion. Through her unwavering dedication, she touched the hearts of many students and colleagues alike, making a huge impact on many lives and becoming a cherished member of her community. Ola was also a lifelong active member of Delta Sigma Theta Sorority, Inc.

An inspiring woman of faith, Ola's spiritual journey was deeply rooted in her devotion to God. She held dear her time spent at Apostolic Faith Church in her early years and later found solace in the warm embrace of Victory

Tabernacle Deliverance Temple in Orangeburg South Carolina. Ola served with unwavering commitment in various capacities, including the Women's Department, the Choir, and the MCB Usher Board, embodying the essence of a true servant of God. Ola relocated to Milledgeville, Georgia where she became a faithful member and monetary participant for over 15 years of Discipleship Christian Church. She remained a very loyal and devoted member who could always be relied upon where she was needed.

Ola's infectious laughter, kindhearted nature, and vibrant energy brought joy to the lives of those around her. She appreciated quality time spent with family and playing "Pic and Pay" a family game she created and cherished every moment of fun and laughter. Her passion for roller skating was unmatched, and she could often be found gliding effortlessly on the rink with her sister, cousins, and friends. Additionally, Ola had a love for swimming, which she enthusiastically shared with her loved ones during her travels. Fondly known as "Trisha," Ola's radiant smile will forever be remembered as a testament to the love she bestowed upon all those she encountered.

Ola's love story began when she found her soulmate, Kelvin Little, with whom she shared a profound connection. Their union brought forth the blessing of a beautiful daughter, Isis, whom they loved unconditionally. The bond Ola created with her family was unbreakable, and her untimely passing leaves behind a void that can never be filled.

On Saturday, January 6, 2024, Ola Patrisha Scott-Little, a compassionate and dedicated social worker, mother, sister, and friend peacefully received her heavenly wings while in the comfort of her home surrounded by her loving and devoted family as God whispered and said "Well done my good and faithful servant! You were faithful over a few things; I will set you over many things. Enter into the joy of your Lord" Once accepting her Master's call, Ola was reunited with her beloved husband, Kelvin Little, parents, Willie Dean Scott Sr.

and Dr. Ola Scott-Curry.

Mrs. Ola Patrisha Scott-Little will be forever missed and fondly remembered by her adoring daughter, Isis Little; her devoted sister, Yteria (Donald) Richardson; her caring brothers, Willie Dean Scott, Jr., Paul (TaWanda) Scott, and Derek (Nicole) Scott; two sisters, LaDeandra Scott and Tatiana Scott; aunts, Daisy Carroll, Linda Roberson, Annette Roberson, Harriet Hart, Lillian Jean Clyburne, Frannie Scott, and Vanessa Scott; six uncles, Charles E. Scott, Robert (Wanda) Robinson, Jr., Ben (Lillian) Roberson, Tyrone (Shirley) Roberson, Billy Joe Roberson, and Rickey (Tammy) Roberson; special friends: Luethel and Marvin Smith and Natalie and Anthony Fields; and a host of loving and caring nieces, nephews, cousins, other relatives, and countless friends whose lives she positively impacted.

As we bid farewell to a truly compassionate and remarkable woman, let us remember how Ola's love, laughter, and unwavering faith enriched our lives. May her soul rest in eternal peace, knowing that she made a lasting impact on all who were fortunate enough to have known her.

“ Trisha...I don't know where to begin. Over the years we have built and maintained a solid, genuine and cherished friendship. We shared many things through our conversations, and I always enjoyed each and every talk we shared. I am so going to miss our Saturday football games cheering together for Alabama through our GameDay texts that we made our own personal tradition over the years. You are truly loved and will be deeply missed. May God wrap his loving arms around Isis and the family and provide you all with strength, comfort and peace. Rest well and love you Sister.

Ola...truly one of a kind and definitely missed! My friend, my soror...didn't see this coming. Throughout all of the conversations, never knew all that YOU personally were going thru. We laughed and joked and even talked about the things that others close to you were dealing with but never what you were dealing with. Glad you are no longer suffering! Blessings to your family, especially Isis, as God sees them thru this difficult time. This red candle is lit in honor of your Delta love, your Roll Tide love, your Talladega College love, and our heartfelt, sisterly!!!! Love you forever sis (hug Dr. Scott-Curry for me too pls)!

In Loving Memory of Ola Scott-Little

It is with heavy hearts that we remember our beloved sorority sister, Ola Scott-Little, whose radiant spirit left us far too soon. Ola touched our lives with her kindness, infectious laughter, and unwavering support.

As we reflect on our shared memories, we remember Ola's passion for sisterhood and her commitment to making a positive impact. Her presence brought order, dedication, and joy to every gathering, and her compassion uplifted those around her.

Beyond her sorority bonds, Ola embraced the role of a loving mother with grace and strength. Her dedication to her young child was evident in the love that filled their days together. Ola's legacy as a caring and nurturing parent will forever inspire us.

In this difficult time, let us unite to support one another and, most importantly, to support Ola's young child and family. As we mourn the loss of our dear sister, let us also celebrate the beautiful moments we shared and honor the love she brought into our lives.

May Ola's memory live on in our hearts, and may her child find solace in the enduring bond of our sisterhood.

Rest in peace, dear Ola Scott-Little. You will be deeply missed, but your spirit will forever shine among us.

“ I worked in Baldwin Co with Ola. I am just heartbroken for Isis and
the family. No child should have to experience the death of both
parents.
Ola was so excited to learn she was going to be a mama. She will

“ I met Ola in 1994 at Clarke Atlanta University while we were both doing our Master’s degrees in Social Work. We hit it off right away and I was so excited to host her and Katherine Andrade when they visited me in my island home Bermuda after graduation to celebrate our biggest two day Emancipation holiday called Cup Match. We had a blast touring the island, swimming at our beautiful beaches, and enjoying the holiday festivities. They insisted on riding mopeds as most tourists do and Ola took a deck resulting in some road rash to her body (this is a rite of passage for any 16 year old new rider in Bermuda so we just get back up and keep riding, but not Ola she took her moped back to the shop and I had to tow her as a passenger on my bike the rest of her trip :-)

We stayed in touch via our facebook pages, me keeping up with her awesome social work activities and both supporting each other’s daughters in gymnastics from afar.

I am deeply saddened by her passing and pray that her daughter and family find peace in the beautiful memories and legacy that she has left behind. Sleep in Peace my friend!

I met Ola when she served as the State President for SSWAG in 2009-2010. She was personable and she and the VP were the first officers to travel the state to meet, support and attend our district meetings. She was the SSWOTY for her district in 2023. I will miss you dear Soror and friend. Thanks for all the love and the lives you touched. May GOD strengthen your daughter and family.
