“ My heart is heavy as I learn of the passing of Ola Scales Simmons. She was one of the first students whom I taught while teaching at Eastside School. I remember her as a very bright and exemplary student then, as she proved to be in later life. I never forgot her enthusiasm for learning nor her contagious smile and winning personality. It was my pleasure to note her accomplishments through the years for which I was very proud. My condolences to Willie Ed Simmons and the rest of Ola's family. I too, grieve at her passing.
