“ To Mrs. Groce, friends, family, and co workers. Today, is a very, very painful day that Richard is no longer with us. Richard, was great educator, a loving person that showed compassionate towards the people that he met. I pray that we all lean on the living God that knows the pain that we are enduring right now because he is no longer here. To his wife as I mentioned to you today lean on Jesus because he knows everything that you are going thru and your family. I thanked him for the things that he's taught me and the things that he's told me to never to forget. My soul, my heart, is broken and shattered. I will not be able to make it to say goodbye, but I will never forget him.
