Tommie was my guy! we go back to early 70's in Tacoma, Wa. We met in college and instantly became friends. We worked on the same job for a brief time as payroll clerks for a construction outfit. We had a lot of fun times together at work and off the job! We were like brothers. We shared a lot of the same pleasures in life. We talked about taking a cruise together, that was on our bucket list, maybe we will cruise around heaven one day! I will miss his humor and wit and that laugh! Rest in peace and power ole buddie! Love you man always.
