

Thomas O Foster

October 5, 1954 - April 28, 2026

Thomas O. Foster, a loving father, devoted grandfather, and cherished brother, began his earthly journey on October 5, 1954, in Anniston, Alabama. He was the son of proud parents, Thomas and Sara Foster. Thomas, affectionately known as "Bee", lived a life marked by hard work, dedication and a fierce love for family.

Upon receiving his education in the Anniston City School System where he attended Cobb Avenue High School and Anniston High School, Thomas showcased his exceptional work ethic while working in the manufacturing industry. He worked tirelessly and took pride in every job he held, especially welding. He learned his trade through experience and skill, becoming a reliable worker. He was the embodiment of resilience, always hustling to support himself and his loved ones.

Thomas, an independent spirit, was known for his headstrong determination, honesty, straightforward nature, and just telling it like it is. An avid fisherman and beloved Auburn football fan, Thomas found joy in both the peaceful waters and the thrill of the game. His passion for scrapping would lead him on countless adventures, reminding us all to find treasures in unexpected places. But above all, he treasured his time spent with family, always there to support and encourage them to pursue their dreams and be the best they could be.

On April 28, 2026, at the age of 71, Thomas "Bee" Foster completed his earthly journey and transitioned from labor to reward. He was preceded in death by his parents, Thomas and Sara Foster; grandson, Zondrick Foster; brother, Arthur Jackson and Charles Foster; uncles, Robert Foster, Lindsey Foster, Clarence Taylor, Sr., Paul Foster, Ludie Jackson, and Lavan Jackson; and aunts, Princella Davis, Louise Jackson, Rebecca Foster, Thelma Foster, Murdist Taylor, and Fannie Jackson.

Thomas Foster's memories will forever be cherished by his son, Lameric Foster; daughters, Teletha (Patrick) Keith and Marica (Chris) Cunningham; grandchildren, Kendreka Foster, Frederick Bowers, Raven Williams, LeQuenton (Jessica) McCormick, Jaylen Peters, Kasen Foster, Amir Foster, Mason English, and Raven English; great-grandchildren, Lazariya Foster, Zondrick Foster, Kingsley Williams, Princeton McCormick, Harmoni McCormick, Korneil James, Zayden Wilson, and Princeton Davis; companion, Deborah English; stepson, Sirodd English; stepdaughter, Sharica English; brother, Gregory Foster; sisters, Cynthia (Larry) Berry and Melissa (Jessi Perez) Blake; uncle, Elbert Foster; special fishing buddy, Derrick Mays; other relatives and friends.

In remembering Thomas, let us hold onto the good times, the laughter, and the love he shared so generously. Although he may no longer walk among us, his spirit and legacy will continue to inspire all who had the privilege of knowing him. Thomas, you will be deeply missed but never forgotten.

“ To Our family, the Jackson-Foster Family,

Please know that all of your Uncle Joe's children and grandchildren are holding you close in our thoughts and sending love your way. We hope you find comfort in the memories you shared with Cousin Bee and in the love of family during this difficult time.

*With our deepest sympathy,
All of us - The Family of the Late Joseph & Louise Jackson*

“ My Dad was my best best best friend. Every moment we share together is priceless especially these last two months. God allowed me extra special time with him in my home. I would care for him in ways that was best for him in his last days , he was weak in his last days but also much independent still. He wanted to be so independent that he would aggravated if you tried to do anything to help him. A man who loved his family & Friends, especially his kids and grandkids, a man who hustled all his life til he couldn't anymore. He enjoyed fishing, strapping, and making a dollar while keeping money in his wallet. You may have called Thomas, Bee, Bumper Jack, or Jack but I called him Daddy, my hero, my friend, my listening ear, my advisor, and now my Angel. We would be together and we would ride, laugh, argue, but most of all we would always make we say i love you. He taught me so much in life, working on cars was our mechanical time together, strapping was our hustling time together, and sitting on the porch was our catching up time but they all was our bonding moments, moments I would always cherish. I could go on and on but I love Daddy and Im gonna miss you. Rest well!!!! Truly your Baby Girl, Marica, Tootie, or Monster is what you called me.
