

Vergie Robinson

March 10, 1940 - February 25, 2026

Vergie Mae Ware Robinson's journey of 85 years on this earth was a true testament to love, faith, compassion, and resilience. She was born on March 10, 1940 to the late Virgil Lee Ware and Evelyn Jones Woodard Bowers and grew up under the loving guidance of her bonus mother, Louise Bush Ware.

Vergie, lovingly known as "Celie", was educated in the Anniston City School system in Anniston, Alabama and graduated from Cobb Avenue High School in 1958. From 1960 to 1962, she continued her education at Selma University in Selma, Alabama earning her Associate of Arts Degree in Education. Her passion for learning eventually led her to San Francisco State University in San Francisco, California where she earned a Bachelor of Science Degree in Home Economics and a Master of Science Degree in School Counseling from 1974 to 1981.

Vergie's dedication to learning paved the way for a fruitful and dedicated journey in counseling. In 1995, she retired from a fulfilling career in early childhood education and adult mental health counseling programs. Her professional life reflected her nurturing spirit and her deep commitment to guiding others toward growth, healing, and opportunity.

Vergie was united in holy matrimony to the love of her life, Eugene James Robinson. Together, they shared 64 beautiful years of marriage marked by

devotion, partnership, and enduring love. This union was blessed with three beautiful children. She was a proud and loving mother to, Anthony "Tony" Robinson, Andreal "Ernie" Robinson (Lolita), and Alfie Robinson Brown (Eddie). Her greatest joy was being Grandmother to Candace Robinson, Joshua Robinson, Gideon Robinson, Morgan Robinson, Aliyah Brown, Ethan Robinson, and Cedric Crawford, each of whom she loved dearly and supported wholeheartedly. She found immense joy in loving and watching her grandchildren grow. After spending 35 years living in Illinois, California, North Carolina, and Florida, Vergie and her husband returned home to Oxford, Alabama in 2001, where they enjoyed being closer to family and lifelong friends.

Vergie was a faithful member of Moore Avenue Church of Christ. In 2003, she obeyed the Gospel, deepening her commitment to her faith and her walk with the Lord. Her spiritual life was a cornerstone of her character and legacy. She was also a proud member of Delta Sigma Theta Sorority, Inc. and maintained active involvement with the Cobb Avenue High School Alumni organization.

Vergie's life was a vibrant tapestry woven with love for traveling, gardening, scrapbooking, and collecting African American and African artifacts. Vergie believed wholeheartedly in the transformative power of education. Continuing her dedication to education, The Eugene and Vergie Robinson Educational Scholarship, a program created to provide annual financial assistance to a deserving high school student, was founded in 2025 by their granddaughter Candace Robinson. This scholarship stands as a lasting testament to her desire to invest in future generations and uplift the community.

On Wednesday, February 25, 2026, Vergie M. Robinson, a beloved wife, mother, grandmother, and sister, answered the Master's call and entered eternal rest. She was preceded in death by her parents, Virgil Ware, Evelyn Bowers, and Louise Ware and her siblings: Mary Frances Newell, Clyde

Woodard, Patsy Heard, Martha Green, Buck Edmondson, Wilbur Edmondson, Billy Woodard, Katherine Woodard and Alfred Curry.

Vergie M. Robinson leaves behind a legacy of love and fond memories to be cherished forever by her devoted husband, Eugene Robinson; her children and their spouses; her beloved grandchildren; siblings: Andrew Woodward, Mildred Whitfield, Clark (Hazel) Ware, Doris (Larry) Cunningham, and Michael (Betty) Ware; her life-long friend, Johnnie (Nathaniel) Davis, and a host of extended family members and dear friends whose lives were richly blessed by her presence.

As we gather to reflect on the beautiful life of Vergie Robinson, let us remember her unwavering spirit, the love she radiated, and her commitment to nurturing the minds and hearts of those around her. Her legacy will forever live on in the lives she touched.

“ I met my beautiful Aunt Vergie and her husband Uncle Eugene and children in California, in 1982. My Aunt Martha had given me her address and phone number. I had just moved there and knew very few people and no family. I wrote a letter to Aunt Vergie and she called me to invite my whole family to a big beautiful Ham dinner. Her warm hospitality and pretty smile was so kind . It was a beautiful time. A real woman of grace. Lastly , my dad Andrew Woodward, her oldest brother 90 years old 7 years ago and her dutiful son Tony drove his mom all the way to Kansas City Missouri! We had a great time riding around all day , talking . I am thankful to have experienced Aunt Vergie , I gained lots of wisdom just watching her grace and listening to her. May we forever honor her life beautifully lived. Sharon Faye Woodward -Carter , niece.

“ Dear Uncle Ernie & Aunt Lolita the Ware and Robinson Families:

Some 40 years ago our lives were forever enriched when my husband met Andreal (Ernie) at North Carolina A&T University in Greensboro during their second year. What began as a simple friendship between two young students soon grew into something far more meaningful — a connection between families that would last a lifetime.

As neighbours and friends, Ernie became part of our daily lives and in time he introduced us to his wonderful parents Mr Eugene and Mrs Vergie Robinson when they visited from Raleigh, North Carolina. From the very beginning, the Robinson family welcomed us with open arms and open hearts. They never made us feel like visitors from South Africa — they made us feel like family.

The Thanksgiving and Christmas dinners we shared together became treasured traditions, filled with warmth, laughter and love. Our children always looked forward to visiting Raleigh because they knew they would be surrounded by the kindness and generosity that defined your home.

Mrs. Robinson was a beautiful soul, a truly remarkable woman — gentle, kind-hearted and full of grace. She embodied love, compassion, empathy and humility in such a natural and beautiful way. Her warmth touched everyone around her, and her legacy of kindness will live on in the many lives she touched.

During this incredibly painful time, please know that our hearts are with you. Losing someone we love is one of life's greatest sorrows. As we are still grieving the loss of my husband, Dr. Reginald Thabede just four months ago, we understand how heavy that grief can feel.

Please know that you are not alone in your sorrow. We are holding you close in our thoughts and prayers, and we send our deepest

love and heartfelt condolences to the entire family. May the beautiful memories you shared with Mom bring comfort and strength in the days ahead.
