“ William and Ruby have been my family for as long as I've lived in Lincoln. If you needed help they are there for you. There aren't many in this world like them anymore and now we have one less. You will be dearly missed by many. Love you both. My prayers are with you Ruby and Tony and all of your family.

“ Mrs. Ruby, I just wanted to let you know that William and my husband Billy (Cowboy) were close friends. My husband thought the world of William. I just wanted you to know just how much you both were thought of. I never had the blessing of meeting the both of you. But know that we will be keeping you in our thoughts and prayers. 🙏🙏
